## Company Support Goodies for Soldiers

Good Day.

My Name is Sergeant Jeffrey Walsh, I am a member of the First Battalion Royal New Brunswick Regiment, Bravo Company, based in Fredericton.

I have just recently received a box full of goodies from the Ladies Auxiliary of the Royal Canadian Legion Branch # 69. This box told me that with your help they were able to send the people in my Platoon through me a great load of stuff that just makes our day.

I have spent the past hour sorting things out for my soldiers.

They were thrilled to receive these gifts and asked me to send you a message from the front on how happy we are to get these items! The news papers bring life at home to us here, we have some luxuries but looking at a real newspaper from home! And the candies and toiletries, again many thanks. There were also little tokens there that I will combine and pass to one of the Locally Engaged Employees, we call him Doc, he comes here to Kandahar Air Field in the day to be what we call a Terp, or Interpreter, but during the night he goes home to his clinic, he has a 16 bed pediatric clinic. So as I say the little toys and stickers and things the kids would like we are going to give them to him for his clinic. I hope that this meets with your approval!

So again, Thank you from the Bottom of our Hearts! We really appreciate when people back home support us!
